Dear Mr. Clark:

Re: Notice of Noncompliance, Daddy Dearest Claims, S/015/043, Emery County, Utah

It has been brought to the Division's attention via citizen's complaint and the BLM, that you have initiated a mine operation in Miller Canyon, Section 26, T22S, R6E, of Emery County. The State of Utah requires that you file a Notice of Intent to commence such an operation, before you begin mining (Declarations of Exemption have been eliminated from the law). I have found no record of such filing with our office. The BLM has also informed me that nothing was filed with them.

Please contact this office as soon as possible regarding your intentions for this site and the filing obligation. Until you have done so, your current action will be considered in violation of the States rules for this type of activity.

Thank you for your attention.

Sincerely,

Holland Shepherd  
Reclamation Specialist
